HASLEMERE HEIGHTS

HASLEMERE

PHASE ONE

Haslemere Heights enjoys a peaceful elevated setting within a highly desirable residential area, high up above the rooftops of the bustling streets of Haslemere's town centre. Completing the first phase of development, just five 4-storey houses will 'set the stage' and create a pleasing street-scene along Hill Road, each with upper levels that afford a privileged vista of some of Surrey's finest countryside. Just a third-of-a-mile from the High Street of this historic and attractive market town, each of the 3/4 bedroom homes will be built to Runnymede's award-winning and customary high standard to include a high level of specification, private garden, integral garage and driveway parking.

The High Street and historic town centre of Haslemere is just a third of a mile away.

THE HISTORIC MARKET TOWN OF HASLEMERE - THE PERFECT BACKDROP TO YOUR BRAND NEW LIFESTYLE

Though hidden away, up above the bustling streets, you are only moments away from the many independent shops, cafés and restaurants that this beautiful market town has to offer.

Surrounded by spectacular Surrey Hills countryside, a number of vibrant yet tranquil villages, excellent state and independent schools and easy access to London, it isn't surprising that Haslemere is so desirable.

Haslemere has its own train station and Liphook station is also nearby - London can be accessed via trains to London Waterloo in under an hour. For car journeys away from Haslemere, there is easy access to the A3 and the M25 linking the motorway network, airports and further afield destinations with ease.

National Trust Black Down is less than two miles away. The highest point in the South Downs National Park.

The National Trust Shottermill Pond less than two miles away.

Surrounded by picturesque villages.

AN ABUNDANCE OF KERB APPEAL...

The 'Arts and Crafts' architecture evokes the Edwardian period and will immediately catch the eye from the roadside. Intricate window surrounds, rolling lead-work canopies, dormer windows that appear to carve into the roof line - each help to create an attractive visual complexity rarely seen in the construction of today's new homes.

Mature, evergreen hedgerows create natural boundaries and optimise privacy, whilst newly planted trees will help create an 'established' feel throughout the development.

Open-plan living on the upper ground floor

...MATCHED WITH BEAUTIFULLY PLANNED INTERIOR SPACE

Built with several levels of living space, number's one to five, which present the first phase of development, feature an appealing balance of open-plan and traditionally designed accommodation. Optimised for modern living, each home is networked for a range of media connectivity. Stylish kitchens include high quality appliances for ease of use. Cloakrooms, en suite and bathrooms showcase contemporary designer sanitaryware.

The lower ground floor entrance hall

Entering the home from the lower ground floor, you are greeted by the large and impressive entrance hall. From here you can reach the cloakroom, integral garage, plenty of storage and the utility.

The home's hub on the upper ground floor is open-plan and features a kitchen with distinct dining and living areas - this light-filled level accesses a south-facing terrace and private garden via glazed French doors.

The first floor principal suite with dressing area and en suite

The principal suite on the first floor includes a dressing area with built-in wardrobes and en suite.

A further two bedrooms and family bathroom also occupy this level. The second floor is envisaged as a large loft storage area.

THE ART IS DEVELOPING

Established in 1975, Runnymede has been proudly creating new and individually distinctive homes for nearly 50 years. A simple yet effective philosophy has been implemented from the outset - a meticulous attention to detail and determination not to accept 'second best'.

Overseen by a passionate and dedicated management team, applying creative excellence, specifying the finest of materials and brought together by highly skilled teams of master builders, interior and landscape specialists, Runnymede ensures its reputation is secured now and into the future.

The award-winning Runnymede brand of new homes encompasses elegantly designed apartments and houses in attractive gated courtyard settings, through to individually designed family houses and imposing mansions.

The scale and design of a Runnymede home is naturally a variable - designed to suit a specific location and home buyer, what never changes is the care and attention in the design, selection of materials and dedication to build quality.

THE ART IS DEVELOPING NEW HOMES PEOPLE WILL BE PROUD TO LIVE IN

The same care and attention in creating the new homes is applied to looking after our home owners. From the moment you reserve your new Runnymede home, we aim to make the experience enjoyable and informative each step of the way.

Our goal is to take care of you, not just when you are buying, but also after you have moved into your new home. In many cases we are able to assist our purchasers in making individual specification choices for their property* and we will make every effort to accommodate our client's requests.

Ensuring that the living experience meets every buyer's expectation is always our priority.

A Runnymede home can only be found in some of the finest settings of Surrey and its neighbouring counties - we believe our brand of new homes is widely recognised as a hallmark of the highest standard, not only in these locations, but well beyond. The awards and accolades we receive continue to substantiate this claim.
