

THE ART IS DEVELOPING

THE COURTYARD WEST HORSLEY

The Courtyard offers a unique collection of just four 2 and 3-bedroom contemporary barn-style homes, which will appeal to those looking for a Surrey countryside retreat, with a high quality lifestyle.

Conveniently positioned on the outskirts of both West and East Horsley villages, the development is within easy reach of a number of other local villages and towns, along with quick access to major road and rail networks ensuring an idyllic balance of 'town and country'.

Sympathetically designed to complement the surroundings, these expertly designed new homes are built to Runnymede's customary high standard to include a high level of specification, private garden, garaging and / or private parking.

THE HORSLEYS IN SURREY ARE THE PERFECT BACKDROP TO YOUR 'TOWN & COUNTRY' LIFESTYLE.

Huge appeal comes from The Courtyard's rural setting and yet you'll find yourself in the middle of 'everywhere' - the A3, just over two miles away, directly accesses the M25 and major road network beyond. In fact, it's hard to believe that you're less than 28 miles from Trafalgar Square.

For the commuter, East Horsley's train station is just one mile away and provides a direct 45 minute journey time into London's Waterloo station. For all your local amenity requirements there is easy access to a choice of villages, including the Horsleys, Ripley and the Clandons.

The great outdoors is wonderfully served by the Surrey Hills Area of Outstanding Natural Beauty, just a short drive, or spend an afternoon strolling through the stunning gardens at RHS Wisley, which is equally close.

For all your shopping needs, including an array of bars and restaurants, look no further than Woking or Leatherhead, not to mention Surrey's county town of Guildford - each can be reached within 20 minutes by car.

AN ABUNDANCE OF KERB APPEAL...

Set behind a walled entrance, along a peaceful leafy lane, the four homes occupy a courtyard setting, which is neighbour to a substantial private residence.

Elevations of the barn inspired homes present in classic combinations of red brick and the rich texture of shiplap/weatherboarding - this blends perfectly under a slate roof. The style of the homes and their use of carefully selected materials, harmonise with the natural, rural surroundings and immediately provide an established feel.

Full height, elongated and split level aluminium framed windows, in a range of differing formats and scale, provide a suitably contemporary twist.

The variety of layouts and options of scale offered will appeal to a mix of lifestyle needs. Two of the homes include garages, whilst all include cobbled driveways or allocated parking. Each is served by fast EV charging access points.

...MATCHED WITH BEAUTIFULLY PLANNED INTERIOR SPACE

Internally, the layouts continue along a contemporary style - each home's open-plan ground floor hub is served by a stunning stone topped island kitchen, which includes Siemens advanced technology appliances and the Quooker boiling water on demand tap.

Living spaces flow onto the terrace of the rear gardens via a multitude of glazed openings, depending on the home you choose, whilst light reaches every corner of the ground floor from windows that create a focal point.

Solid oak stairways access the first floor, which offers traditional bedroom layouts and individually designed bathrooms and en-suites, the latter feature a range of sanitaryware and fixtures from exclusive brands.

The homes are fully networked for an array of media connectivity and benefit from the latest in energy efficient heating and comfort technology. Each carefully crafted new home enjoys a private garden with terraced areas of Indian Sandstone.

THE ART IS DEVELOPING

Established in 1975, Runnymede has been proudly creating new and individually distinctive homes for nearly 50 years.

A simple yet effective philosophy has been implemented from the outset - a meticulous attention to detail and determination not to accept 'second best'.

Overseen by a passionate and dedicated management team, applying creative excellence, specifying the finest of materials and brought together by highly skilled teams of master builders, interior and landscape specialists, Runnymede ensures its reputation is secured now and into the future.

The award-winning Runnymede brand of new homes encompasses elegantly designed apartments and houses in attractive gated courtyard settings, through to individually designed family houses and imposing mansions.

The scale and design of a Runnymede home is naturally a variable - designed to suit a specific location and home buyer, what never changes is the care and attention in the design, selection of materials and dedication to build quality.

THE ART IS DEVELOPING NEW HOMES PEOPLE WILL BE PROUD TO LIVE IN

The same care and attention in creating the new homes is applied to looking after our home owners. From the moment you reserve your new Runnymede home, we aim to make the experience enjoyable and informative each step of the way.

Our goal is to take care of you, not just when you are buying, but also after you have moved into your new home. In many cases we are able to assist our purchasers in making individual specification choices for their property* and we will make every effort to accommodate our client's requests.

Ensuring that the living experience meets every buyer's expectation is always our priority.

A Runnymede home can only be found in some of the finest settings of Surrey and its neighbouring counties - we believe our brand of new homes is widely recognised as a hallmark of the highest standard, not only in these locations, but well beyond. The awards and accolades we receive continue to substantiate this claim.
