HASLEMERE

PHASE TWO

Haslemere Heights enjoys a peaceful elevated setting within a highly desirable residential area, high up above the rooftops of the bustling streets of Haslemere's town centre. Completing the second phase of development, just six 4-storey houses will create a pleasing street-scene within the development, each with upper levels that afford a privileged vista of some of Surrey's finest countryside. Just a third-of-a-mile from the High Street of this historic and attractive market town, each of the 4 bedroom homes will be built to Runnymede's award-winning and customary high standard to include a high level of specification, private garden and driveway parking.

## THE HISTORIC MARKET TOWN OF HASLEMERE - THE PERFECT BACKDROP TO YOUR BRAND NEW LIFESTYLE

The 'Arts and Crafts' architecture evokes the Edwardian period and will immediately catch the eye. Intricate window surrounds, lead-work canopies and a mix of elevational treatments and styles provide external variation from one pair of homes to another. This helps to create an attractive visual complexity rarely seen in the construction of today's new homes. Mature, evergreen hedgerows create natural boundaries and optimise privacy, whilst newly planted trees will help create an 'established' feel throughout the development.

Built over an impressive four-levels of living space, number's six to eleven, which present the second phase of development, feature an appealing balance of open-plan and traditionally designed accommodation. Optimised for modern living, each home is networked for a range of media connectivity. Stylish kitchens include high quality appliances for ease of use. Cloakrooms, en suite and bathrooms enjoy contemporary designer sanitaryware.

Enter the home from the upper ground floor with entrance hall, cloakroom, living room and study. The stairway leads up to the bedroom levels and down to a lower ground floor. It is here you will find the home's hub, a wonderful open-plan layout that features the kitchen, along with distinct

dining and living areas. This light-filled level provides access directly onto the terrace and private garden via bi-fold glazed doors or sets of French glazed doors, dependant on the home you choose.

The principal suite on the first floor includes a dressing area with built-in wardrobes and en suite. A further two bedrooms and family bathroom also occupy this level. An additional, large bedroom occupies the second floor, again with dressing area and en suite. This top floor also offers plenty of eaves storage.

Though hidden away, up above the bustling streets, you are only moments away from the many independent shops, cafés and restaurants that this beautiful market town has to offer. Surrounded by spectacular Surrey Hills countryside, a number of vibrant yet tranquil villages, excellent state and independent schools and easy access to London, it isn't surprising that Haslemere is so desirable.

Haslemere has its own train station and Liphook station is also nearby - London can be accessed via trains to London Waterloo in under an hour. For car journeys away from Haslemere, there is easy access to the A3 and the M25 linking the motorway network, airports and further afield destinations with ease.

National Trust Black Down is less than two miles away. The highest point in the South Downs National Park.

West Street in Haslemere town centre.

The High Street and historic town centre of Haslemere is just a third of a mile away.

The National Trust Shottersmill Pond less than two miles away.

Surrounded by picturesque villages.
